-- open *cancelled*

Week of November 18-22

1300 Wednesday, November 20 *(joint EPC-DPC)*

-- antitrust

Thursday, November 21

-- new trade round objectives

GATT contracting parties
meet on in late November.

-- Canadian lumber

Congressional interest,
Canadian trade arrangement

Week of November 25

Tuesday, November 26

-- open

Other Short-Term (Next 2-4 weeks) Potential Agenda Items

- o December 1 Section 301 Deadlines
 - EC Canned Fruit
 - Japan Leather and Leatherfootwear

- o Surcharge on Recording Tape

There are several proposals in Congress to place a surcharge on recording tape with proceeds going to recording industry.

- o Return of the Strike Force

- o Airport Landing Rights

OMB and DOT are engaged in negotiations intended to fairly and efficiently allocate airport landing rights. OMB and CEA favor a market auction, similar to Federal oil leases. DOT tentatively has supported a buy-sell option permitting airlines to transfer existing slots among themselves.

- o *Industrial competitiveness*

3 task

*intel. property
human capital*
